CORAM: V.G. PALSHIKAR, J.

PC:

This is a petition by Regional Director of Employees' State Insurance Corporation challenging the order of discharge passed by the learned trial Judge. Reason given by the learned trial Judge is that no prima facie caase is made out for prosecution of the accused persons. That view is based on a decision of the Supreme Court. In any case, it cannot be called a perverse view. There is therefore no reason to interfere with the order of discharge. Application is dismissed.
